Azul & Company, Miami's premier interior design and furniture store, is now furnishing the Crowne Plaza Hotel in Jamaica, New York. This Related Group project is slated to open in May of 2013.

Azul & Company's hospitality division has been contracted to furnish all 336 rooms as well as all common areas under the direction of designer Gene Kauffman Architect.

With its turn-key and unbeatable quality approach, Azul & Company speaks to a market with a unique vision of style while providing an array of products and services in one location. Moreover, Azul & Company offers a compelling price point and exceptional craftsmanship, a fashionable representation that is something more designer-led creativity. Azul & Company Hospitality Division's vast experience includes 50 Biscayne, Trump Towers, Trump Hollywood, City Place, Vizcayne, etc.

"We are very excited to participate on this project," explained Maria Jose de Caires, founder and head designer at Azul & Company, "as we continue to grow and expand, we strive to provide our commercial clients with a new experience in design with materials characteristic of the Azul & Company brand."
